

Special COVID-19 Report to Members ~ October 25, 2021

*Reports are sent on Tuesdays, unless there's breaking news.*

## Federal funding deadline is tomorrow

Hospitals have until Tuesday, October 26 to [apply](#) for the latest federal COVID funding

The \$25.5 billion in federal relief funds requires a single application for both the Phase 4 PRF as well as funding from ARPA. Both funds can be used to offset changes in operating revenues and increased expenses. The PRF funds are based on the levels of those changes, with smaller facilities receiving a higher percentage. The ARPA funds are based on the services provided to rural Medicare, Medicaid and CHIP patients.

The application, FAQs, and recordings of recent technical assistance videos can be found at [hrsa.gov/provider-relief/future-payments](https://hrsa.gov/provider-relief/future-payments).
